**DAS INTERNATIONAL SERVICES LTD.**

**STATEMENT BY DIRECTORS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

The directors are pleased to present their statement to the member together with the audited financial statements of the Company for the reporting year ended 31 March 2023.

**1. OPINION OF THE DIRECTORS**

In the opinion of the directors,

- (a) the financial statements of the Company are drawn up so as to give a true and fair view of the financial position of the Company as at 31 March 2023 and the financial performance and cash flows of the Company for the reporting year then ended; and
- (b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

**2. DIRECTORS**

The directors of the Company in office at the date of this statement are:

Lee Siew Pin Eric  
Lee Siang  
Kaka Singh s/o Dalip Singh  
Kwek Yiu Wing Kevin  
Tan Guan Hiang  
Wong May-Lyn (appointed on 24 September 2022)

**3. ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE SHARES AND DEBENTURES**

Neither at the end of, nor at any time during the reporting year, was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

**4. DIRECTORS' INTERESTS IN SHARES AND DEBENTURES**

As the Company is limited by guarantee, matters relating to interest in shares, debentures or share options are not applicable.

**5. SHARE OPTIONS**

The Company is limited by guarantee and has no issued share capital.

**DAS INTERNATIONAL SERVICES LTD.**

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBER OF DAS INTERNATIONAL SERVICES LTD.  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of DAS International Services Ltd. (the "Company"), which comprise the statement of financial position as at 31 March 2023, and the statement of financial activities and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Companies Act"), the Charities Act 1994 and other relevant regulations (the "Charities Act and Regulations") and Financial Reporting Standards ("FRSs") so as to give a true and fair view of the financial position of the Company as at 31 March 2023 and of the financial performance and cash flows of the Company for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Accounting and Corporate Regulatory Authority (ACRA) *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBER OF DAS INTERNATIONAL SERVICES LTD.  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

**Other Information**

Management is responsible for the other information. The other information comprises the statement by directors but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Directors for the Financial Statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act, the Charities Act and Regulations and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBER OF DAS INTERNATIONAL SERVICES LTD.  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

**Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)**

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBER OF DAS INTERNATIONAL SERVICES LTD.  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

**Report on Other Legal and Regulatory Requirements**

In our opinion, the accounting and other records required to be kept by the Company have been properly kept in accordance with the provisions of the Companies Act, and the Charities Act and Regulations.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

**1. GENERAL**

The Company is a public company limited by guarantee, and is domiciled and incorporated in Singapore. The Company is registered as a charity under the Charities Act 1994 with effect from 14 November 2012. The Company is exempt from income tax. The Company is not an institution of public character and it did not conduct any fund-raising activity during the reporting year.

The principal activities are those of the provision of assessments and professional services to students in Singapore and the region who have a range of Specific Learning Differences, behavioural difficulties and developmental disorders.

The Company's registered office and its principal place of business is at 73, Bukit Timah Road, #05-01 Rex House, Singapore 229832.

Each member of the Company has undertaken to contribute such amounts not exceeding \$100 to the assets of the Company in the event the Company is wound up and the monies are required for payment of the liabilities of the Company. The Company had four (4) members at the end of the reporting year.

The financial statements of the Company for the reporting year ended 31 March 2023 were authorised for issue in accordance with a resolution of the directors dated on the date of the Statement by Directors.

The parent company name has been changed from Dyslexia Association of Singapore Limited ("DAS Ltd") to Dyslexia Association of Singapore ("DAS") with effective from 30 March 2023.

**2. SIGNIFICANT ACCOUNTING POLICIES****(I) Basis of preparation**

The financial statements, which are expressed in Singapore Dollar ('\$'), have been prepared in accordance with the provisions of the Singapore Companies Act 1967 (the "Act"), Charities Act 1994 and other relevant regulations (the "Charities Act and Regulations") and Financial Reporting Standards ("FRSs"). The financial statements have been prepared on the historical cost basis except where a FRSs requires an alternative treatment (such as fair values) as disclosed and where appropriate in these financial statements.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(I) Basis of preparation (Cont'd)****Adoption of new and amended standards and interpretations**

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Company has adopted all the new and amended standards which are relevant to the Company and are effective for annual financial period beginning on 1 April 2022. The adoption of these standards did not have any material effect on the financial statements of the Company.

**Standards issued but not yet effective**

A number of new standards and amendments to standard that have been issued are not yet effective and have not been applied in preparing these financial statements.

The directors expect that the adoption of these new and amended standards will have no material impact on the financial statements in the year of initial application.

**(II) Significant accounting policies****Foreign currency transactions**

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operate (the "functional currency"). The financial statements are presented in Singapore Dollars ("S\$"), which is the Company's functional and presentation currency, as it best reflects the economic substance of the underlying events and circumstances relevant to the Company.

Transactions in a currency other than the functional currency ("foreign currency") are translated into the functional currency using the exchange rates at the dates of the transactions. Currency translation differences from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies at the closing rates at the end of the financial period are recognised in the statements of financial activities.

**Income recognition**

Income is measured based on the consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Income is recognised when the Company satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of course fees are recognised over the period when the courses are conducted.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(II) Significant accounting policies (Cont'd)****Expenditures**

All expenditures are classified under headings that aggregate all cost related to that activity.

Charitable Activities

Expenditure on charitable activities comprises all costs incurred in the pursuit of the charitable objects of the Company. Those costs, where not wholly attributable, are apportioned between the categories of charitable expenditure. The total costs of each category of charitable expenditure therefore include an apportionment of support cost, where possible.

Governance Costs

Governance costs include the costs of governance arrangements, which relate to the general running of the Company as opposed to the direct management functions inherent in generating funds, service delivery and programme or project work. Expenditure on the governance of the Company will normally include both direct and related support costs which include internal and external audit, apportioned manpower costs and general costs in supporting the governance activities, legal advice for governing board members, and costs associated with constitutional and statutory requirements.

**Plant and equipment**

Plant and equipment are initially recognised at cost and subsequently carried at cost less accumulated depreciation.

The cost of an item of plant and equipment initially recognised includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation on plant and equipment is calculated using the straight-line method to allocate their depreciable amounts over their estimated useful lives as follows:

	<u>Useful lives</u>
Equipment and furniture	3 years
Software	5 years

The residual values, estimated useful lives and depreciation method of plant and equipment are reviewed and adjusted as appropriate, at the end of each reporting year.

Fully depreciated assets still in use are retained in the financial statements.

The gain and loss on disposal of an item of plant and equipment are determined by comparing the net proceeds from disposal from the carrying amount of plant and equipment, and are recognised within other income in profit or loss.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(II) Significant accounting policies (Cont'd)****Fund accounting**

Income and expenditure relating to the main activities of the Company are accounted for through the General Fund in the statement of financial activities. Income and expenditure relating to funds set up for contributions received and expenditure incurred for specific purposes are accounted for through the Restricted Funds in the statement of financial activities.

**Financial instruments**

A financial asset or a financial liability is recognised when, and only when, the entity becomes party to the contractual provisions of the instrument. All other financial instruments (including regular-way purchases and sales of financial assets) are recognised and derecognised, as applicable, using trade date accounting or settlement date accounting. A financial asset is derecognised when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the entity neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. A financial liability is removed from the statement of financial position when, and only when, it is extinguished, that is, when the obligation specified in the contract is discharged or cancelled or expires.

At initial recognition the financial asset or financial liability is measured at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

*Classification and measurement of financial assets:*

- (i) Financial asset classified as measured at amortised cost: A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at fair value through profit or loss (FVTPL), that is (a) the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Typically trade and other receivables, bank and cash balances are classified in this category.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(II) Significant accounting policies (Cont'd)****Financial instruments (Cont'd)**

- (ii) Financial asset that is a debt asset instrument classified as measured at fair value through other comprehensive income (FVTOCI): A debt asset instrument is measured at fair value through other comprehensive income (FVTOCI) only if it meets both of the following conditions and is not designated as at FVTPL, that is (a): the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets are not reclassified subsequent to their initial recognition, except when, and only when, the reporting entity changes its business model for managing financial assets (expected to be rare and infrequent events). The previously recognised gains, losses, or interest cannot be restated. When these financial assets are derecognised, cumulative gains or losses previously recognised in other comprehensive income are reclassified to profit or loss.
- (iii) Financial asset that is an equity investment measured at fair value through other comprehensive income (FVTOCI): On initial recognition of an equity investment that is not held for trading, an irrevocable election may be made to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis. Fair value changes are recognised in OCI but dividends are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. The gain or loss that is presented in OCI includes any related foreign exchange component arising on non-monetary investments (eg, equity instruments). On disposal, the cumulative fair value changes are not recycled to profit or loss but remain in reserves within equity. The weighted average or specific identification method is used when determining the cost basis of equities being disposed of.
- (iv) Financial asset classified as measured at fair value through profit or loss (FVTPL): All other financial assets are classified as measured at FVTPL. In addition, on initial recognition, management may irrevocably designate a financial asset as measured at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

*Classification and measurement of financial liabilities:*

Financial liabilities are classified as at fair value through profit or loss (FVTPL) in either of the following circumstances: (1) the liabilities are managed, evaluated and reported internally on a fair value basis; or (2) the designation eliminates or significantly reduces an accounting mismatch that would otherwise arise. All other financial liabilities are carried at amortised cost using the effective interest method. Reclassification of any financial liability is not permitted.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(II) Significant accounting policies (Cont'd)****Financial instruments (Cont'd)***Measurement of Expected Credit Loss ("ECL")*

ECLs are probability-weighted estimates of credit losses. Credit losses are measured at the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Company expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

*Credit-impaired financial assets*

At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

**Income Tax**

The Company and its subsidiaries are approved charities under the Charities Act 1994 and under the Income Tax Act 1947. Accordingly, the entities are exempt from income tax.

**Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and other short-term highly liquid assets that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

**Impairment of Non-financial Assets**

Non-financial assets are tested for impairment whenever there is any objective evidence or indication that these assets may be impaired.

At the end of each reporting period, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any), on an individual asset.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(II) Significant accounting policies (Cont'd)****Impairment of Non-financial Assets (Cont'd)**

Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. The difference between the carrying amount and recoverable amount is recognised as an impairment loss in profit or loss.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

**3. Significant accounting judgements and estimates**

The preparation of the Company's financial statements in conformity with FRS requires management to make judgements, estimates and assumptions that affect the reported amounts of incomes, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Management is of the opinion that there are no significant judgements made in applying accounting estimates and policies that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

**10. GENERAL FUND**

The general fund is made up of funds from tuition fees and assessment fees and is used for the general purposes of the Company.

**11. RELATED PARTY TRANSACTIONS**

Dyslexia Association of Singapore ("DAS") (F.K.A. Dyslexia Association of Singapore Limited) is the parent company of the Company (see Note 1).

All trustees/office bearers (except for the full time employees), or people connected with them, do not receive remuneration, or other benefits, from the Company for which they are responsible, or from institutions connected with the Company.

Related company in these financial statements refer only to the subsidiary of the Parent.

The related party balances are unsecured, interest-free, unless stated otherwise, and subject to the normal credit terms of the respective parties and are repayable on demand.

There are transactions and arrangements between the Company and members of the group and the effects of these on the basis determined between the parties are reflected in these financial statements.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023****11. RELATED PARTY TRANSACTIONS (CONT'D)**

In addition to the related party information disclosed elsewhere in the financial statements, the Company had the following significant related party transactions:

## (a) Significant transactions with the Parent

	<u>2023</u>	<u>2022</u>
	\$	\$
Course fees charged by the Parent	6,684	13,459
Administrative expenses charged by the Parent	71,462	51,694
Trainer fees charged by the Parent	232,077	200,650
Insurance and administrative expenses charged out by the Parent to the Company	7,090	3,234
Return of grant received in prior years to Parent *	110,000	35,000
Amounts paid out and settlement of liabilities on behalf of the Company	<u>312,315</u>	<u>281,373</u>

\* Return of grant to Parent is in relation to the grant given by the former Parent to the Company in 2012 and 2013 to enable the Company to undertake programmes of work identified by the Parent as necessary to meet the Group's objectives. For information only, the balance of grants to be returned after the total return of \$435,000 to parent as at reporting date amounts to \$365,000

## (b) Significant transactions with a related party

Professional fees paid to a firm of which a director is a member amounted to \$1,617 (2022: \$2,200).

**12. FINANCIAL RISK MANAGEMENT**

The Company's activities expose it to a variety of financial risks from its operations. There are exposures to the financial risks on the financial instruments such as credit risk, liquidity risk and market risk comprising foreign currency risk and interest rate risk exposures. Management has certain practices for the management of financial risks. However these are not documented in formal written documents. The following guidelines are followed: (i) All financial risk management activities are carried out and monitored by senior management staff; and (ii) All financial risk management activities are carried out following acceptable market practices.

There have been no changes to the exposures to risk; the objectives, policies and processes for managing the risk and the methods used to measure the risk.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023**

---

**12. FINANCIAL RISK MANAGEMENT (CONT'D)****(a) Credit risk**

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in a loss to the reporting entity. The Company has adopted a policy of only dealing with creditworthy counterparties. The Company performs ongoing credit evaluation of its counterparties' financial condition and generally do not require a collateral.

The reporting entity considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial assets that are potentially subject to concentrations of credit risk and failures by counterparties to discharge their obligations in full or in a timely manner. These arise principally from cash balances with banks, cash equivalents and receivables. The maximum exposure to credit risk is the total of the fair value of the financial assets at the end of the reporting year. Credit risk on cash balances with banks is limited because the counter-parties are entities with acceptable credit ratings. For expected credit losses (ECL) on financial assets, the simplified approach applied by the entity (that is, to measure the loss allowance at an amount equal to lifetime ECL at initial recognition and throughout its life) is permitted by the financial reporting standard on financial instruments for financial assets that do not have a significant financing component, such as the trade receivables and other current financial assets. For credit risk on the current financial assets an ongoing credit evaluation is performed on the financial condition of the debtors and an impairment loss is recognised in profit or loss. Reviews and assessments of credit exposures in excess of designated limits are made. Renewals and reviews of credits limits are subject to the same review process.

The Company has determined the default event on a financial asset to be when internal and/or external information indicates that the financial asset is unlikely to be received, which could include default of contractual payments due for more than 60 days, default of interest due for more than 30 days or there is significant difficulty of the counterparty. The Company considers available reasonable and supportive forward-looking information when there are indicators of credit risk.

There is no concentration of credit risk.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2023****12. FINANCIAL RISK MANAGEMENT (CONT'D)****(b) Liquidity risk**

Liquidity refers to the difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. It is expected that all the liabilities will be settled at their contractual maturity. The average credit period taken to settle trade payables is about 30 days (2022: 30 days). The other payables are with short-term durations. The classification of financial assets is shown in the statement of financial position as they may be available to meet liquidity needs and no further analysis is necessary.

The reporting entity monitors its liquidity risk maintains a level of cash and cash equivalents deemed adequate by Management to finance the reporting entity's operations and to mitigate the effects of fluctuations in cash flows.

The following table analyses the non-derivative financial liabilities by remaining contractual maturity (contractual undiscounted cash flows):

	<b>1 year</b> \$	<b>2 – 3 years</b> \$	<b>Total</b> \$
<b><u>Non-derivative financial liabilities:</u></b>			
<b><u>2023:</u></b>			
Trade and other payables	41,329	-	41,329
Other liabilities	55,668	-	55,668
At end of the year	<u>96,997</u>	-	<u>96,997</u>
<b><u>2022:</u></b>			
Trade and other payables	37,749	-	37,749
Other liabilities	57,035	-	57,035
At end of the year	<u>94,784</u>	-	<u>94,784</u>

The above amounts disclosed in the maturity analysis are the contractual undiscounted cash flows and such undiscounted cash flows differ from the amount included in the statement of financial position. When the counter-party has a choice of when an amount is paid, the liability is included on the basis of the earliest date on which it can be required to pay.

**(c) Interest rate risk**

The interest from financial assets including cash balances is not significant.

**(d) Foreign currency risk**

The effect on pre-tax profit is not significant.

**DAS INTERNATIONAL SERVICES LTD.****NOTES TO THE FINANCIAL STATEMENTS
